- **Saturday, June 10 at 7 p.m. to Monday, June 12 at 5 a.m.** – Up to two lanes on westbound SR-91 will close from Orangethorpe Avenue to Carmenita Road. During the lane closures, the carpool lane will be considered a regular lane.

Changeable message signs will be in place to alert motorists of construction activities and closures. USS Cal Builders, Inc. is the contractor on this 16.5 million project which began in June 2016 and is expected to be completed in summer of 2017. Once the project is completed, the new surface will provide a smoother drive for motorists and minimize the need for further ramp closures. Motorists should anticipate delays, plan ahead, and use alternate routes. Caltrans advises motorists to “**Be work Zone Alert.**”
